4. **(H) Subject Line**

Subject: Inquiry Regarding a Summer Research Internship

5. **(E) Salutation**

Dear Dr. Evans,

6. **(B) Body Paragraph 1: Introduction & Purpose**

I am a second-year undergraduate student pursuing a Bachelor of Science in Environmental Science at the University of [City]. I am writing to you today with great interest and enthusiasm. In my coursework, I have completed modules in Ecology and Soil Science, achieving top marks, and I have gained practical experience in water quality testing through a university-led field project.

7. **(D) Body Paragraph 2: Specific Interest & Connection**

I am particularly drawn to your institute's work on sustainable agricultural practices, as highlighted in your recent paper "Soil Health in the 21st Century." The opportunity to contribute to and learn from such impactful research would be an invaluable experience. I am a highly motivated and meticulous student, eager to apply my academic knowledge in a practical setting.

8. **(J) Body Paragraph 3: Specific Request & Call to Action**

Could you please inform me if there are any opportunities for a summer research intern within your team? I am available from June 1st to August 15th and am keen to assist with any ongoing projects related to soil analysis or ecosystem monitoring.

9. **(F) Body Paragraph 4: Closing & Next Steps**

Thank you for your time and consideration. I have attached my curriculum vitae and academic transcript for your review. I am available for a discussion anytime between [Date] and [Date] and would be happy to provide any further information.

10. **(A) Complimentary Close & Signature**

Sincerely,
