We are excited by the opportunity to partner with you, and with the help of your valued contribution, bring meaningful benefits to members of our local community.

Step 1: The Club

In this section, take the opportunity to promote to prospective sponsors who you are and why you matter. Consider including the following:

- Purpose statement
- Vision Statement
- Value Statement
- Strategic priorities
- Strategic objectives
- Member profile (who makes up your club)

Step 2: The Need

In this section, communicate the need for sponsorship. Consider the following:

- What are the challenges facing the club,
- What will any potential funding be used for
- How will it support the club
- Who within the club will benefit from the donation

Step 3: Why Sponsor?

In this section, explain why your club is a great match to their business, why sponsorship is a unique opportunity not to be missed and what benefits and outcomes will be realised through it.

Consider the ways in which your club will promote the interests of the prospective sponsor, including:

- Corporate social responsibility

If possible, be specific by including examples of previous sponsorship successes e.g. 'increased web traffic to sponsors page via the club website'.

It is important to think strategically. What can you provide that of tangible value to sponsors?

Present a range of opportunities and sponsorship levels, such as:
